DETAILED ACTION

Response to Amendments

1. Amendments to claims 1, 12, and 13 have been entered in the above-identified application. New claims 25-28 have been added. **Claims 1, 5, and 12-28 are now pending**.

Claim Objections

2. Claim 19 is objected to under 37 CFR 1.75(c), as being of improper dependent form for failing to further limit the subject matter of a previous claim. Applicant is required to cancel the claim(s), or amend the claim(s) to place the claim(s) in proper dependent form, or rewrite the claim(s) in independent form.

Claim 19 fails to limit the subject matter of claims 12 and 1, upon which it depends.

Furthermore, the langue of now amended claim 13 is awkward. It appears that claim 13 has been amended to an independent claim however it refers to "the hard coat film" and not "a hard coat film".

Appropriate correction is required.
